

JOINT WORKING POLICY

1. PRINCIPLES OF JOINT WORKING

The following principles will apply to joint working:

- All joint working must be for the benefit of service users;
- Joint working will be conducted in an open and transparent manner;
- Joint working will take place at a corporate, rather than an individual, level;
- Arrangements will be of mutual benefit, the principal beneficiary being the Service Users;
- Contract negotiations will be negotiated in line with Streetlight UK values;
- Confidentiality of information received in the course of the arrangement will be respected and never used outside the scope of the project;
- All service users identifiers will be removed from data to preserve and respect service user confidentiality in line with the Data Protection Act 2018;
- Reports and information pertaining to the agreement / projects will not be used or published without explicit permission given by all parties;
